

Driver Release Verification Form

*******If you are a restricted driver or have not successfully completed either EVOC or a DDC course, you are not permitted to drive any city insured vehicle. DDC allows you to drive in non-emergency mode only. Until you have EVOC, you are not permitted to drive an ambulance with a patient on board or red-lights and sirens (must have a released driver in front cab with you).*******

This Section is to be completed by the Intern:

Please initial the following items and complete and sign the statement below. When this form is completed, contact the Member Services at 385-1999. Bring this completed form with you when you pick up your released Driver ID card. Congratulations!

___ I have completed all of the required Driver courses (DDC, EVOC).

___ I have completed an evaluation form for every shift and documented all of my driving.

___ I understand the rules, regulations, policies, procedures and protocols that govern me while operating an emergency vehicle with the Virginia Beach Department of Emergency Medical Services.

I, _____ (Intern Name), agree the above items are completed and on file with Virginia Beach Department of Emergency Medical Services. I certify that I have demonstrated adequate knowledge of skills, procedures, policies and protocols of all aspects expected of an Emergency Driver for Virginia Beach Department of Emergency Medical Services.

Intern Signature: _____ Date: _____
