Student Comments:

Instructions to student: All sections of the form must be completed during your field shift. Do not leave your shift until the ambulance AIC has signed all yellow sections of the form. Record each patient contact, do not record any call you did not talk to the patient. Mark all skills performed with a number to indicate how many times you completed the skill, example:(place a 2 in the column for Blood pressure if you checked it twice during your transport. This form must be turned in within 7 days of the scheduled shift to the clinical coordinator box. Email to aachesin@vbgov.com
