

# 800 MHz Coverage/Performance Report

---

The following report has been developed to track and evaluate coverage issues with the 800 MHz Trunked Radio, Paging or Mobile Systems. If you experience poor coverage, either transmit and/or receive, please complete the following form with as much information as possible. Forms may be emailed to ComITTelecomRadio@vb.gov or faxed to 757-385-1810.

Reported by: \_\_\_\_\_ Telephone Number: \_\_\_\_\_  
Date: \_\_\_\_\_ Time: \_\_\_\_\_ Dept & Unit: \_\_\_\_\_  
Contact Name: \_\_\_\_\_ Phone Number: \_\_\_\_\_

## Type of Radio (Check Applicable Fields)
